## Sherwin Makes 2020 Presidential Bid

had a special place in his heart for young performers. In August of 2019 while performing at the Pipestone County Fair Pam noticed a young boy watching Sherwin's Johnny Cash Tribute intently. On the drive back to Minneapolis, Pam asked Sherwin if he had noticed him.

Weeks later at the South Dakota State Fair Pam again noticed the young boy in the audience and this time questioned him and his father about being at the Pipestone County Fair. Yes, this was the boy Pam had remembered. Sherwin and Pam always trust that faith will align the career actions and this is just the case. Beckett is a very talented ten-year-old guitar player with a huge appreciation for Johnny Cash. In October Sherwin featured Beckett and Sherwin's great grandson Grady on a Cash Tribute Show in Ham Lake, MN and in December Beckett was a guest on Sherwin and Pam's Christmas Show at the Redlin Center in Watertown, SD. Video of Beckett's Christmas Show performance was graciously posted on Facebook by Jennifer Barkmeier. That video was brought to the attention of Robert Hilstrom the producer of "The Last Waltz" Classic Rock show at the Cabooze in Minneapolis. Robert contacted Sherwin

We are all confident Sherwin's name will not be appearing on any of the 2020 ballots so in essence, his candidacy is a joke. But, when we seriously think about this he is actually in the same situation as some of the candidates that are officially on the ballot!

We invite our fans and friends to have some fun with the 2020 election and bring some attention to the reality of politics by displaying this bumper sticker. Sherwin does have a platform, "Stop Robo Calls." He promises to make every effort to end this criminal activity that steals over a billion dollars each year from unsuspecting Americans. If elected, Sherwin also hopes to provide an American made Stratocaster, Telecaster or Les Paul guitar in every garage band!

Order your bumper stickers now! Just \$5.00 each, plus \$1.00 shipping. For orders of over 3 bumper stickers please include \$3.00 shipping with no limit on the number of stickers purchased.

### **Sherwin in Search of the Best Margarita in South Texas**

Sherwin's time in south Texas is not all work. He enjoyed this amazing margarita at Los Asados in Mission, TX. Since posting this photo to Facebook he has had recommendations for other great venues to try! Watch his Facebook pages for his personal reviews!

inquiring if Beckett could play the part of Eric Clapton doing the song "Further On Down The Road." Beckett worked hard and did a fantastic job on the song! The audience loved him! A big "Thank You" to Robert Hilstrom and the rest of the musicians for giving Beckett an experience of a lifetime!

When Sherwin started in the music business 64 years ago he knew it would be important to promote his music and image to sustain longevity in his career. Sherwin and Pam still work diligently on marketing their show to new venues and events.

Back in the 1950's and 60's Sherwin did most of his own booking. After he had nationally charted records like "Cotton King" Sherwin's show was booked by major agencies like Acuff Rose in Nashville and the Harry "Hap" Peebles agency in Wichita, KS. By the late 60's these two agencies had Sherwin and his show booked at major fairs and concert performances nation-wide. In the early 1970's Sherwin developed his own agency and management team. He continued to be represented by Hap Peebles who kept his summers full playing 70-80 fairs a season. Since then Sherwin's agency has been a member of many mid-

west fair and festival associations. These organizations hold annual conventions where Sherwin and his band would often showcase and contract engagement dates. This fall Sherwin & Pam came up with a new kind of showcase concept, a video showcase. They dug into archives of video footage and photos and with the help of their friend Dave at Twin Cities Video assembled a 12-minute video which gives potential buyers a look into the variety of entertainment The Sherwin & Pam Linton Show offers. We are posting this for friends and fans to view. We hope you enjoy it. If you know of a venue or event that may be interested in the Sherwin & Pam Linton Show please share this video and contact information with them. Let us know how you like it? We'll be excited to hear your thoughts!
